

## 1995 Volvo 850 GLT Auto Estate

£1695.00

This Volvo 850 is one of the last 850 estates before it was face lifted into what we now know as the V70 Classic and is probably one of the nicest and lowest mileage examples I have seen in a long time. I initially purchased this vehicle as a spares vehicle to repair another Volvo 850 that I had taken in part exchange. However, when I went to collect the vehicle I was amazed at its outstanding condition, low mileage and not to mention a full main dealer service history in the glove box. Unfortunately the vehicle was being sold as a 'Category C' write off due to some minor accident damage to the tailgate. I have had the tailgate professionally repaired and re-painted and also had the necessary V.I.C. (vehicle identity check) carried out and the V5 registration document should be with me any day now. (If you would like to see pre-repair photographs of the tailgate then please let me know your e-mail address).

Originally supplied by 'Evans Halshaw Motors Ltd.' of Buckinghamshire the Volvo has covered just 114,000 miles in its 15 year life and has always

been maintained regardless of cost. This can be seen by its matching premium brand tyres and un-frayed headlight wipers (the first thing I normally have to change when I purchase a Volvo) all backed up by a full and extensive main dealer service history with 12 stamps, with all but 2 being carried out by 'Kings Volvo' of Southampton. The Volvo has just had a full service in our on site workshop which included the replacement of oil & filter, fuel & air filters and spark plugs and I have also just had a full cam belt kit fitted at my local independent garage, all using genuine Volvo parts.

Condition wise the Volvo is in exceptionally good condition given its age as can be seen in the photographs. Externally there are a few very minor age related blemishes and stone chips, these have all been touched up where possible and they do not detract from the overall look or usability of the car. Internally the half leather seats are also in excellent condition with a slightly worn patina but no rips or tears and the leather has just been cleaned and treated with Autoglym leather cleaner & care cream. All the plastic trim is again in excellent

condition with everything present and correct including the full tool kit, hand books etc. and everything seems to work exactly as it did when it left the factory. (I am currently trying to source a beige load cover to complete the package).

Specification includes; 170bhp 2435cc 20v fuel injected engine; 4 Speed Switchable Automatic Gearbox; Electric Front Windows; Electric Heated Mirrors; Electric Sun Roof; Original Volvo Radio Cassette Player; Air Conditioning; Central Door Locking with 1 Key; Drivers Air Bag; Power Assisted Steering; Anti-Lock Brakes; 'Side Impact Protection System'; Traction Control; 16" T5 Alloy Wheels; Front Fog Lights; Headlight Wipers; Immobiliser; Trip Computer; Half Leather Upholstery; Heated Front Seats; Booster Seat; Tailored Rubber Mats.

For the full asking price the vehicle will come with a new 12 month M.O.T and a 6 month Silver Plus Warranty (details available on request). This vehicle is not affected by the emission related tax premiums and will currently cost £190.00 a year to tax.

## Facts and figures

### General

Production	1 Apr 1993 - 1 Jul 1997	Weight	1412 kg
Length	-	Fuel Delivery	Injection
Width	-	Transmission	Automatic
Height	-	Gears	4 Speed

### Performance

Engine Size	2435 cc	Valves	20
Cylinders	5	Torque	220 Nm 162 lb-ft
0-60 mph	9.9 s	Top Speed	124 mph
Power Output	170 bhp		

### Costs

MPG	26	CO2 Emissions	259 g/km
Insurance Group	13	Road Tax Band	-
Euro Emissions Standard			

### Practicality

Wheelbase	-	Turning Circle	10 m
Luggage Capacity	-	Unbraked Towing Weight	700 kg
Fuel Capacity	73 L
